

When you donate to the Jackson Zoo, you are supporting the future of wildlife and the environment. Many of the animals in our care are part of important conservation breeding programs, while they also serve as ambassadors for their wild relations. These animal ambassadors serve to engage and inspire the casual visitor into wildlife stewards.

Thanks to your generosity, the Jackson Zoo can provide the highest standard of care for the animals that are sincerely beloved by visitor and staff alike. The Jackson Zoo will continue its commitment to providing excellent quality recreational and educational experiences dedicated to wildlife care and conservation.
