

CONSERVATION INTERNSHIP

Unpaid

DESCRIPTION:

The Jackson Zoo's Conservation Internship is a 12-16 week (20 or 40 hours per week unpaid, un-benefited, with the potential for an extension) professional education intern position with the Jackson Zoo. Regular off-days to be determined, but must be willing to work weekends and holidays. Interns will provide conservation development support, interact with public on grounds, and assist with events. Interns will also have a long-term project and will complete a presentation to zoo staff.

RESPONSIBILITIES INCLUDE:

- Assist with development of conservation and sustainability plan
- Assist with the creation of conservation activities for events
- Assist with planning and development of new "animal awareness" days
- Research and develop sustainable/green practices
- Lead and supervise student volunteer groups in green activities

While performing the duties of this position the intern is regularly required to stand; walk; climb or balance and grasp objects. In addition, the intern is regularly exposed to outside weather conditions; must be able to lift & move 50 pounds without mechanical assistance.

QUALIFICATIONS:

- Completed at least one year of college working toward an animal related field, biology, zoology, or related field. Or a recent graduate.
- Must be comfortable presenting programs to groups of children (toddlers to high school) and adults in offsite community events, auditoriums, classrooms, and other education programs as needed
- Creative skills to transform educational material into entertaining, interactive programs
- Ability to conduct research and compile large amounts of data. Proficient with documents and spreadsheets.
- Passion for conservation, sustainability, and wildlife

GUIDELINES:

- 12 or 16 week commitment
- Work 8:30am-4:30pm. Days off to be determined.
- Must provide a negative TB test result and tetanus vaccine record prior to beginning the internship
- Candidates must provide proof of current medical insurance, and maintain this insurance for the duration of the internship

FALL SEMESTER	First full week of September through November.	Application due July 31 st
SPRING SEMESTER	First full week of February through May	Application due Dec. 31 st
SUMMER	Mid-May through to mid-August.	Application due March 31 st
