

Zoo Mobile School Topics

Grade	Topics	Description
Toddler-Kindergarten	This Storytime is a Zoo	Do you have children who get wild about animals? Enjoy laughing, singing, and cheering while we tell stories and meet some of the animal ambassadors from the zoo.
1 st -2 nd Grade	Fur, Feathers, and Scales	All those animal coverings with some many jobs to do! Fur to keep you warm or hidden, feathers to fly or to impress, scales to protect and defend. Find out more about animal coverings and the ways they help animals survive!
	Boundless Biomes	Do you live in a tree or in a hole in the ground? What about in a forest or a desert? Animals have different physical and behavioral adaptations to thrive where they live, let's discover a few of them!
3 rd -5 th Grade	Boundless Biomes	Do you live in a tree or in a hole in the ground? What about in a forest or a desert? Animals have different physical and behavioral adaptations to thrive where they live, let's discover a few of them!
	Classify That	Some animals look the same and others are very different. Learn about some important animal characteristics while designing your own unique animal. Then group your animals based on these features. Watch out, no two animals are the same.
6 th -8 th Grade	Animal Behavior	Ever wonder why an animal does what it does? Why does it roar? Why does it stretch? Why does it sniff? Explore all the questions of why animals do things in this program and maybe even do some of them yourself.
	Vanishing Act	It's no magic trick, animals are vanishing. Why are they leaving? Learn about a few factors that are causing some animals to become endangered; most importantly learn what you can do to help them survive and flourish.
Large Group/Assembly 1 st -3 rd Grade	Fur, Feathers, and Scales	All those animal coverings with some many jobs to do! Fur to keep you warm or hidden, feathers to fly or to impress, scales to protect and defend. Find out more about animal coverings and the ways they help animals survive!
Large Group/Assembly 4 th Grade - Adult	Mississippi's Wild Web	Have you ever wondered what might be living in your back yard? Here in Mississippi it could be anything from otters to owls! Discover how these native animals live together during this look into their lives.

School Zoo Mobile

Can't make it to the zoo? The zoo can come to you! A zoo educator will load up a few of our resident animal ambassadors and turn your classroom into a zoo during an engaging and interactive 45 minute program.

- All topics are framed to align to the Mississippi State Standards and the Next Generation Science Standards.
- Zoo Mobiles are available Monday-Saturday and booked on a first come, first serve basis.
- All programs must be booked at least one month in advance and must be paid for at least two weeks in advance or your program will be cancelled.

THE DETAILS:

- Starting price is \$85 for each program
- Approx. 35 students per program
- Zoo Mobile programs are available Monday—Saturday
- Programs are booked on a first come, first serve basis.
- All programs must be booked at least 30 days in advance.
- All programs must be paid for at least two weeks in advance or your program will be cancelled.
- In the event of a cancellation made by your organization less than one week before the scheduled program date, a \$25 per program processing fee will be retained by the Jackson Zoo.
